October 11, 2011

Greetings,

In early May, people throughout the 98th Legislative District and the Commonwealth of Virginia learned of the retirement of Delegate Harvey B. Morgan. Known as the conscience of the General Assembly, Delegate Morgan served his district with distinction for 32 years.

Members of the Animal Resource Foundation (ARF) approached Harvey and asked if he would allow them to honor him with a roast/toast affair, *Harvey on the Bar-B*, to benefit the life-saving programs of this 501(c)(3) organization. His response was typical Morgan... "Of course, if you think it will help this splendid organization."

ARF operates an affordable, high quality spay/neuter clinic which has spayed, neutered and vaccinated over 14,000 dogs and cats in 3 years, preventing the unwanted births of literally hundreds of thousands of puppies and kittens. Using donations, ARF works closely with citizens, animal control agencies, animal shelters, and rescue groups to provide low cost spay/neuter and medical care to reduce the overpopulation of dogs and cats and to increase the chances for these animals to find their forever homes or stay in existing homes and live healthier, happier lives.

We hope you will join us at the Virginia Institute of Marine Sciences (VIMS) to honor Harvey on Saturday, December 3, at 6:30 P.M. We invite you to become one of "Harvey's Heroes" with a contribution to ARF, which will be acknowledged in the Program. Ticket and reservation information is attached, along with sponsorship opportunities.

Please join us in this opportunity to thank Harvey for his years of dedicated service and to wish him the best in his retirement. Space at this event is limited so don't miss out. Complete and return the enclosed form with your gift and ticket order by November 4.

Sincerely,

Charles F. Hogg, President

Marilyn W. Layer, Treasurer

Tonya Higgins, DVM, Secretary  
Veterinarian in Charge
